

## SERVICES:

- 208 individuals received career coaching, job skill training and/or work experience in 2020 to help them achieve personal growth, qualify for higher paying jobs, or re-enter the workforce
- 347 individuals received individual counseling and group therapy in 2020
- 1,227 individuals with disabilities and disadvantages gained work experience and job training in our Idaho Goodwill stores during 2020

## SOCIAL BENEFIT:

“Easterseals-Goodwill is an amazing partner in our drug and DUI problem solving court! Their staff consistently goes the extra mile to help our participants succeed in all areas of their lives. Together, we are changing lives and strengthening our communities through treatment, education and community service.”

- Honorable Judge Nancy Baskin, District Judge in Elmore County

“The SCSEP program has given me the opportunity to sharpen my computer skills as well as learn some new ones. These skills will help me become more employable and enable me to be financially independent.”

- Jean D. Nsabumuremyi, MPA-Director TRIO EOC

... Together we create opportunities that change lives.

## ECONOMIC BENEFIT:

- 215 staff employed in Idaho in 2020
- \$5,900,818 total salaries and benefits paid to employees in 2019 (most current year available)

Easterseals-Goodwill Behavioral Health and Family Services offers a comprehensive counseling, substance abuse and therapy program to help individuals get a second chance at life.

The Senior Community Service Employment Program (SCSEP) is helping low-income adults age 55 and older statewide to overcome barriers to employment and gain real-world work experience in order to re-enter the workforce.
